

**Why would you buy an animal when you could have saved one of these?**

**More than 14,000 dogs and cats were killed last year at Town Lake Animal Center.**

Despite what Petland may have told you, puppies bred for pet stores seldom come from 'private' or 'local' breeders. The pet industry is a multi-billion dollar industry that depends on puppy mills for the mass production of puppies. Do your part to stop the abuse. Visit your local animal shelter and save a life.
